I offer real and visualised offerings.  
I acknowledge all my harmful actions,  
gathered since beginningless time.  
I rejoice in all virtues.  
I request all Buddhas to remain and turn the wheel of Dharma for us.  
I dedicate the virtues of myself and others to great enlightenment.

### Mandala offering

I offer to you, the assembly of Buddhas visualised in front of me, this mandala anointed with perfume, strewn with flowers, adorned with Mount Meru, four continents, sun and moon. Through the merits created in this way, may all sentient beings enjoy this pure world.

Oh Guru, I offer to you this precious mandala.

## Method to develop the inner guru

Please, my precious and holy guru, show me your beautiful smiling face. Grant me the blessings of your breathtaking speech and look upon me, tormented by suffering, with your infinitely compassionate mind.

Now, I beseech you from the depths of my heart, with single pointed concentration: when I meditate upon you at the crown of my head, please gracefully take your seat at the centre of the wheel of bliss, and bless me to be able to accomplish whatever virtuous wish comes to my mind, swiftly, easily and without exception.

When I call upon you, please peacefully appear in the space in front of me, so that I may complete the two accumulations of merit and wisdom, in the manner of a vast, increasing wave, in order to purify all my negative actions.

When I pray to you from my heart, please joyfully take the seat at the centre of the lotus at my heart, and remain there at all times, day and night, until I attain the essence of enlightenment, and bless me that I may accomplish all favourable conditions leading to happiness, and that all conditions obstructing the path to freedom be quelled.

In short, from now, in all my lives, in the future and in the bardo, I need no other refuge than you.

Please look upon me with your compassionate eyes.

To this suffering being without refuge, please pay attention, and mature my ordinary body, speech and mind so that I reach the bliss of inseparable oneness with your holy body, speech and mind.

Never separated from your holy body, speech and mind may I always enjoy good fortune.

Through all my lives may I never be separated from the perfect guru, and so enjoy the splendour of dharma. Perfecting the virtues of the paths and bhumis, may I quickly attain the state of Vajradhara.

### Dedication for the long life of the gurus

May the holy teacher have a long life. May the enlightened activities be fully displayed in the ten directions and may the brightness of the teachings of Lama Tsongkhapa continuously dissipate the veil of darkness covering the beings of the three realms.

### Verse of auspiciousness

At dawn or dusk, at night or midday, may the Three Jewels grant us their blessings, may they help us to achieve all realizations and sprinkle the path of our lives with various signs of auspiciousness.
